Place: Meridian Grange; 15422 SE 272nd Street; Kent WA 98042

Time: 9:30-3:30; date: April 6, 2019

Bring: your enthusiasm, projects to work on, projects for Show and Share, money to buy materials, your own lunch and snacks to share if you want. There is a large kitchen area with tables and chairs for socializing, eating, and working on projects. Unfortunately, the area where the classes happen is a dance floor, so NO food and beverages are allowed there.

Activities include:

Door Prizes

Show and Share: tables for everyone to bring samples of their work so the rest of us can get new ideas. There will also be a display specifically devoted to coiling with materials other than pine needles: fabric, yarn, leather strips, zippers, day lily leaves, plastic tubing, whatever...

Free Coiling: an area for you to coil and socialize, share stitches, techniques, stories.

Jan 2019

Please be aware that photography will be allowed and may be used by the NWBW Guild for publicity.

Lighting is a challenge, a battery operated light, such as a headlamp or USB chargeable ott light, would be helpful. Please NO electrical cords!
